

INSTRUCTIONS FOR USE

ZEO-Z014

- 1 Isolate the spill area.
- 2 Display signs and erect barricade tape.
- 3 Put on protective gloves, face mask, goggles, apron and shoe protectors.
- 4 Spread a portion of the powder around the perimeter of the spill to contain it.
- 5 Liberally apply the powder to the spill.
- 6 Allow approximately 5 minutes for the spill to congeal, then mix together.
- 7 Using the scoop and scraper, pick up the spill.
- 8 Place the spill into the yellow waste disposal bag and seal it with the black tape provided.
- 9 Use the cloth provided to ensure the floor is clean and dry.
- 10 Contact the supplier of the spilled product to obtain advice regarding the safest means of disposal.
